The very best of water quality innovation,  
research and regulatory advice from  
across Europe

# DRINKING WATER QUALITY EUROPE

2<sup>ND</sup> ANNUAL

4-5 November 2026 | Leonardo Royal Hotel Amsterdam

WWT's Drinking Water Quality Europe Conference came to Amsterdam in November, uniting water sector leaders from across Europe to showcase the very best of water quality on the continent.

The event brought 150+ C-Suite, regulatory, technical and scientific leaders from water quality in Europe, delivering keynote presentations, strategic panel discussions, technical case studies and collaborative working group opportunities.

Countries in attendance included: Belgium, Canada, Denmark, France, Germany, Greece, Italy, Jersey, Netherlands, Poland, Portugal, Spain, Switzerland, United Arab Emirates, UK and more. They united to share learnings on the biggest water quality issues facing the industry including: PFAS, regulation, treatment approaches and climate change.

The European event delivered innovation, advice and unrivalled networking opportunities designed to inspire anyone working in European water quality and help enhance drinking water from source to tap.

We can't wait to see you again next year!

**Jess Bond**  
Programme Lead  
Drinking Water Quality Europe

## THEMES

The latest on the EU Drinking Water Directive

Enhancing safety and risk management in water

Climate change and security of supply

Novel treatment strategies

PFAS and contaminants of concern

Network optimisation

# FEEDBACK

**'A genuine environment for learning from inspiring professionals addressing local and global water treatment challenges.'**

Head of Engineering, Puraffinity

**'Fantastic opportunity to understand the European context and to network with peers from a range of organisations about water quality.'**

Chief Scientific Officer, United Utilities

**'I really enjoyed the first WWT DWQ Europe 2025 event. Great speakers and networking opportunities. I'm looking forward to next year!'**

Technical University Hamburg (TUHH) / DVGW-TUHH

**'It was insightful to see Europe's diverse approaches to shared challenges -PFAS contamination, water scarcity and water use- and the practical solutions that emerge from them.'**

Manager Drinking Water, Witteveen+Bos

**'This event had it all: excellent organization, excellent speakers, time for discussions and networking in a relaxed environment.'**

Senior Advisor of the Board, ERSAR

**'Superbly organised and full of relevant topics.'**

Head of Department Market & Advisory, Het Waterlaboratorium

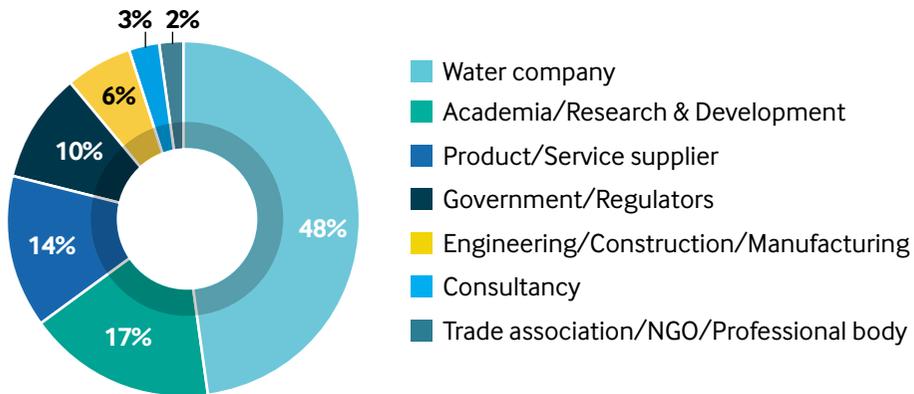

**'Excellent event with a good range of delegates and adequate opportunity to network.'**

Visiting Professor, Cranfield University

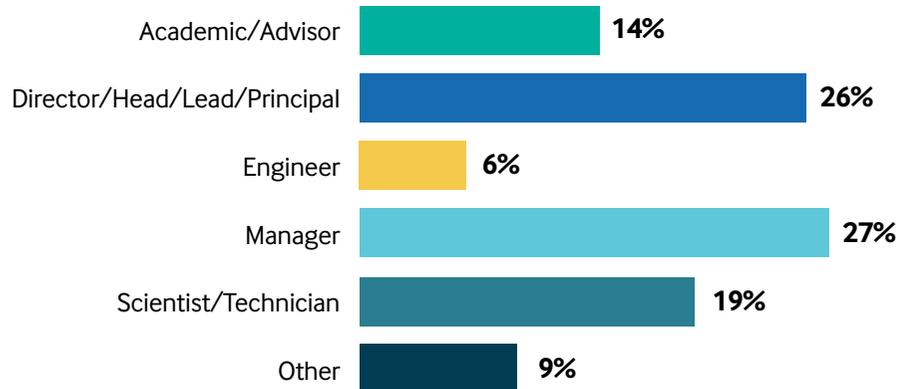

# PREVIOUS ATTENDEES
