PARTNER WITH PURPOSE

GET IN TOUCH

“These awards provide a unique platform for the industry to show its commitment to gender diversity; celebrate the great women working in utilities today; and open the door for those who will come after them.”

Ellen Bennett, Portfolio Director, Utility Week

WHY SPONSOR?

Elevate your business in the utilities sector:

Leverage the awards and **showcase your products and solutions** to influential decision-makers from across UK **water, energy and gas sectors**

Enhance your reputation and credibility:

Demonstrate your **commitment to diversity and inclusion in the utilities sector** by positioning your organisation as an industry pioneer.

Empower your workforce:

Reinforce your unwavering **support for creating a diverse and inclusive workplace.**

Connect and collaborate:

Cement critical partnerships and make new connections with industry leaders and experts in the utilities sector.

Invest in the industry's future:

Be seen as a champion **dedicated to supporting the next generation of women leaders** and fostering innovation in the utilities industry.

“There is a huge amount of value in networking at events like this because there is so much depth of experience in the room, so much understanding of the challenges faced, and so many ideas about how and where to improve. It's fantastic to see everyone in one room, sharing in these perspectives and working to understand different viewpoints.”
